🏡 Becoming a Member of Village Church

We're excited that you're considering becoming a communicant member of Village Church! Here's a simple step-by-step guide to walk you through the process.

✍️ Step 1: Fill Out the Membership Form

Start by completing the online application form:
👉 Membership Form

This helps us get to know you and begin the process of welcoming you into our church family.

📖 Step 2: Read the Membership Guide

Once you've submitted the form, take time to read the attached document. It outlines:

- What it means to be a member at Village with the Presbyterian Church of Queensland
- Our shared values and commitments as Village Church.
- A membership pledge
- A Q&A section for when we welcome new members on a Sunday service

Feel free to reach out with any questions!

🗣️ Step 3: Talk It Through

You don't need to sign the pledge right away.
We encourage you to chat with Sam (our pastor) and any of the elders if you'd like to explore things further.

✅ Step 4: Session Approval

Once you're ready to commit and sign the pledge:

- Your application will be reviewed by Session (our church leadership team of elders).
- If approved, you'll officially become a communicant member!

🎉 Step 5: Welcome to Village

After approval:

- You'll receive a formal welcome letter.
- At a later date (to be coordinated with other new members), we'll celebrate your membership publicly during a Sunday service.
